

SENNHEISER

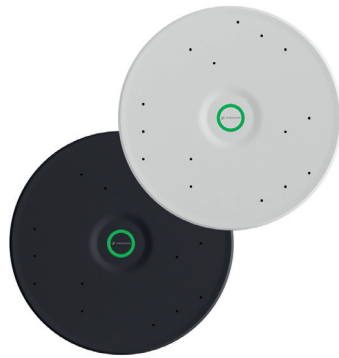

Extron®

TeamConnect Ceiling Medium

**Sennheiser TCC M & Extron
Medium Room**

Sennheiser TCC M & Extron - Medium Room

Partnership benefits

Dante network audio seamlessly connects the microphone, Extron DMP Plus series audio DSP processor, and the entire system, ensuring reliable communication.

Interoperability testing with Extron guarantees smooth installation and operational confidence.

Extron Certified control drivers, developed with Sennheiser, provide robust functionality.

The Certified GCP Driver manages mic output, mute states, LED states, and more, ensuring comprehensive control.
