

## TeamConnect Ceiling 2 - Dante™ Firmware

Ceiling microphone array - Dante™ module: Audinate DANTE Brooklyn 3

There are two Dante variants of TeamConnect Ceiling 2 in the market. One is equipped with Dante Broadway and one with Dante Brooklyn 3 chipset. You can identify your variant with the Dante Controller (Device Info). Please use the correct Dante firmware file matching your hardware variant.

### Dante Firmware version 1.0.1 - Release Date 2024-07-31

For conformity, consistency and compatibility reasons, we strongly recommend upgrading the system to the new release.

### Update

- Based on new Audinate Dante firmware Version 4.2.7.7

### Firmware Update

- The Dante firmware update requires Audinate's Dante Controller software:
